A Message to the Players...

It is my goal as the Hudson Boys Varsity Basketball Coach to ensure that each player has an opportunity to learn and develop the skills necessary to be successful at the next level of competition. I feel this is a great time to develop relationships with future players as well as teach the important facets of the game necessary to be a complete player in our program. Our goal as a program is to develop players, fundamental players, for success at all levels of competition.

I recommend this camp for any athlete interested in improving his overall basketball ability. Challenge yourself and compete!

See you this summer!
