**It is understood that if accepted by the Hudson Basketball Association, as a volunteer coach, I will support and enforce the Code of Ethics:**

1. **I will attend all meetings and rules clinics** set up by the HBA during the season.
2. **I will promote team play that is safe, fun and enjoyable** remembering that competition encourages cooperation, self discipline and motivation while enhancing the development of life lasting traits. I will lead my team remembering that competition is a process for children to learn.
3. **I will promote respect in one's self and others through good** sportsmanship by emphasizing the development of cooperation and respectful behavior towards teammates, opponents, referees and coaches. I will help each child feel good about himself/herself.
4. **I will promote sports fundamentals** which are essential to enjoy the game. I will strive to develop each child's skills and abilities to the fullest potential.

*In addition to the Code of Ethics, I will also abide by the following rules:*

1. I will return all issued equipment no later than 10 days following the last played game.
2. I will ensure that I am knowledgeable in the rules of the sport and teach these rules to my players.
3. I will notify the HBA board of any misconduct by parents, players or other coaches.
4. I will organize practices that are fun, educational, and challenging for all my players.

I understand the above ethics and rules and that any violation of said ethics and rules could result in losing my right to finish coaching the season and any future coaching involvement with the HBA. I also understand that I am under the direction of the current Rules and Policies and the Hudson Basketball Association. Due to the nature of the HBA responsibilities and liabilities, it will be necessary to perform background checks on volunteers for the protection and welfare of program participants. The information given above will be used for this purpose.
